Single Jersey Computerized Jacquard Circular Knitting Machine

- 3-way actuator system with stable operation system.
- Simple computer system is easy for operation and reading patterns via jacquard controller, quick and efficient.
- Adopting USB device card is easy for saving and using pattern data from computer easily.
- All full jacquard fabric can be knitted and enable knitting factory to knit any different pattern to increase fabric value.
- The rolling machine adopts step-less section, dense and average in changing speed, larger pack up extent, easy to use.

Double Knit Computerized Jacquard Circular Knitting Machine

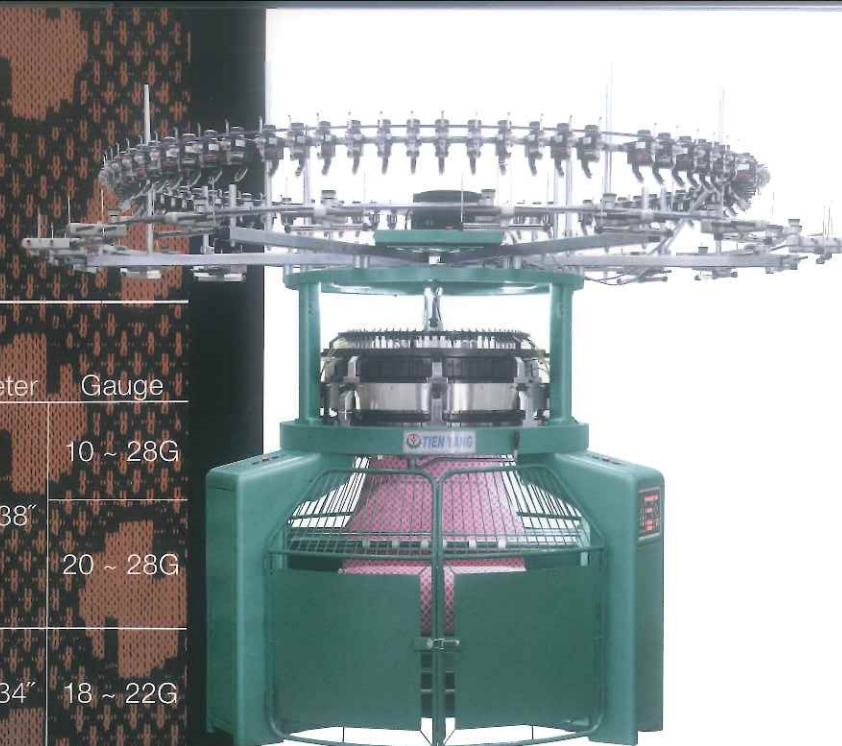

- 2-way / 3-way actuator system with stable operation system.
- Simple computer system is easy for operation and reading patterns via jacquard controller, quick and efficient.
- Adopting USB device is easy for saving and using pattern data from computer easily.
- All full jacquard fabric can be knitted and enable knitting factory to knit any different pattern to increase fabric value.
- The rolling machine adopts step-less section, dense and average in changing speed, larger pack up extent, easy to use.

Terry / Velour / Double Face Terry Computerized Jacquard Circular Knitting Machine

- 2-way actuator system with stable operation system.
- Simple computer system is easy for operation and reading patterns via jacquard controller, quick and efficient.
- Adopting USB device is easy for saving and using pattern data from computer easily.
- Double face terry jacquard circular knitting machine is available for knitting soft fabric, such as bath towel, bathrobe, blanket.

Specification

		Diameter	Gauge
TY-SJ-J	Single Jersey Computerized Jacquard	30" ~ 38"	10 ~ 28G
TY-SJ-JM	Single Jersey Mesh Computerized Jacquard		20 ~ 28G
TY-3F-J	3Thread Fleece Computerized Jacquard	30" ~ 34"	18 ~ 22G

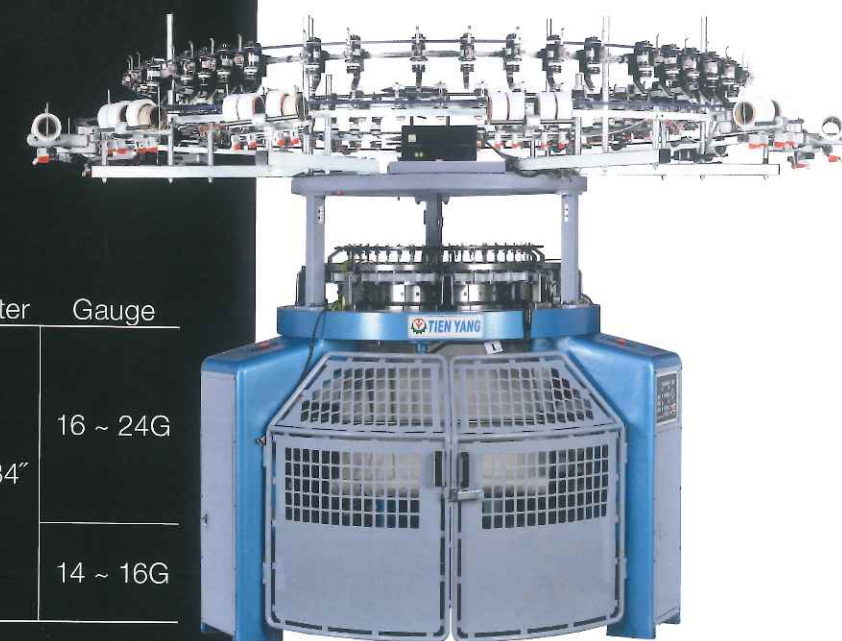

* Machine photo includes optional items

		Diameter	Gauge
TY-DK-J	Double Knit Computerized Jacquard	30" ~ 40"	14 ~ 34G
TY-DK-RT	Rib Transfer	30" ~ 38"	12 ~ 18G
TY-DK-RTJ	Rib Transfer Computerized Jacquard		

* Machine photo includes optional items

		Diameter	Gauge
TY-T-J	Polar Fleece Terry Computerized Jacquard	30" ~ 34"	16 ~ 24G
TY-V-J	Velour Plush Terry Computerized Jacquard		
TY-DF-J	Double Face Terry Computerized Jacquard		14 ~ 16G
